What party is complete without the gelatin shots This installment not only provides more yummy gelatin recipes, but also pudding shot recipes! Pudding ... yuck, you say? Bite your tongue! You obviously have not tried a White Russian made with White Chocolate pudding, vodka and coffee liqueur. This book also contains low carb gelatin and pudding shots for those individuals who are cutting down on carbs, but still want to be a part of the shot action. The Strawberry Key Lime Daiquiri was the hit amongst my low carb friends. The final section contains non-alcoholic gelatin shots. These are good for those who do not drink alcohol. Most of these little gems are made with juice instead of water, so they contain some Vitamin C to kick!
