I AM EBOOKS 2019

Author: Linda Harris

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

When the author, Linda Harris, became disabled following foot and ankle surgery in 2011, she decided to use this time to write the book she had always talked about writing. Linda suffered depression (with and now without medication) for many years. She had to learn how to defeat it by thinking, doing, living, and speaking positively. I Am came out of the need to control her depression and stop it before it "stops" her. Learning to believe that she can live life without medication for depression took a lot of doing, but it was worth it. Learning to look at life positively is one of the greatest achievements she has ever made.

Accepting Jesus Christ as her Lord and savior, is the greatest of all things!
