Continue on Cam and Haylie's journey in the second volume of this NA hockey romance novella series. Unlucky in love, Haylie Keene can't believe she's dating another hockey player--especially her ex boyfriend's former teammate. Sexy as hell Cam Erickson is impossible to resist, but Haylie's doubts keep her from jumping in with her whole heart. And when her ex makes a play to win her back, she's completely torn. Cam doesn't know the meaning of giving less than a hundred percent, whether it's to win a hockey game or Haylie's heart. So when it looks like she might choose her cheating ex over him, he's unwilling to sit the bench while she makes up her mind. When Haylie realizes she might lose Cam, she knows she must fight to keep him. But can she thaw the ice around his heart before the last buzzer sounds on their relationship?
