## SEA TURTLES UP CLOSE EBOOKS 2019

Author: Jennifer R. Nolan

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

Have you ever dreamed about diving into the hidden ocean and discovering the world of sea turtles? Well now you can, with this newly released ebook: Sea Turtles Up Close—complete with captivating images by Jim Abernethy, an award-winning marine life photographer and world-renowned shark expert. Dive into these pages and get “up close” to these incredible creatures that grace the world’s oceans.

In the book's Foreword, Ocean explorer Celine Cousteau invites you to explore the amazing underwater world of sea turtles and the nearly poetic prose on each page that is crafted by award-winning author Jennifer R. Nolan and fact-filled. Children and adults alike will fall in love sea turtles – often referred to as archangels of the ocean.

Learn all about the seven sea turtle species: what they look like, where they live, what they eat, how they survive, their mysterious qualities, how they navigate thousands of miles, why today they need our help, and what we can do to protect them for future generations. Dive into these pages and let the pictures in Sea Turtles Up Close take you on a journey you will want to experience time and time again. With each page, you’re sure to fall deeper in love with these awesome creatures.

Sparked by the desire to help spread the word that these creatures need protection (they are all on the “Endangered Species List”), these two award-winning artists created a book that seeks to engage, educate, and inspire. Dive in!
