## SECRETS OF THE WOODS EBOOKS 2019

Author: William J. Long

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

William Joseph Long (1866–1952) was an American writer, naturalist and minister. He lived and worked in Stamford, Connecticut as a minister of the First Congregationalist Church. As a naturalist, he went to travel to "the wilderness" of Maine. He wrote of these wilderness experiences in the books Ways of Wood Folk, Wilderness Ways, Wood-folk Comedies, Northern Trails, Wood Folk at School, and many others.

The unique merit of this excellent book rests in his fascinating style of writing, which invariably interests young and old; for without this element his pioneer work in the realm of nature would now be familiar only to scientists, introducing people everywhere into the wonderland of nature hitherto entirely closed to all. This book contains many details of the lives of animals that you may never have known of before, these wilderness stories are great listening for young and old.
