SEEING IS BELIEVING EBOOKS 2019

Author: George E. Vandeman

Realese Date: Lanzamiento previsto: @@expectedReleaseDate@@

Isn't it interesting that all concrete, physical objects become real to us only because of something as insubstantial as light, something as spiritual, perhaps, as light. Plants take on a definite shape—in the light. Wood shows its texture and form—in the light. The walls define the size of the room—in light.

This book gives insight into vision, plants, the honey bee and stone to bring to light the dramatic evidence of a Creator God.
