## SIGNS OF LIFE EBOOKS 2019

Author: Mark Mosier

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

Come ride along with the crew from Station 4. You'll respond to heart attacks, gunshot victims, and major car crashes all in a non-stop heart pounding pace. Lives will be changed, lives will be lost and lives will be saved. You have the front row seat to it all. u003cbr/u003e

Experience the emotion and drama that plays out in this world we call EMS. Can the men and women who dedicate their lives to this endeavor really make a difference? The answer is yes, and it happens day in and day out, all over the world.u003cbr/u003e

u003cbr/u003e

Mark Mosier began his paramedic career in 1982. With over 30 years of Advanced Life Support transport experience, he is uniquely qualified to share these incredible stories. He has worked in both the private ambulance sector and as a firefighter paramedic. This career has also included teaching in all areas of pre-hospital care. He is currently working in southern Iraq as a paramedic...but that's a whole other story.
