SIGNS OF RESURRECTION EBOOKS 2019

Author: Roger Skrenes

Realese Date: Lanzamiento previsto: @@expectedReleaseDate@@

This book is written to show that in our world there are many signs of resurrection. Life beyond death is demonstrated or modeled in many ways within the world around us. This fact should teach us to believe that our death is not an end in itself but, rather, a new beginning of greater and more certain proportions. It should help us to focus our lives on pleasing the Lord and on trying to be a small pair of His Hands in this present world. By living in such light, we can have hope that we will fit into His larger plan-in what we here call Heaven.
