SIRTUINS EBOOKS 2019

Author: Riekelt H. Houtkooper

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

The sirtuin family of proteins (SIRT1-7) received a lot of attention in recent years as they serve as metabolic sensors that control not only metabolism, but also aging and lifespan regulation. As such, sirtuins are strong targets for the treatment of age-related metabolic diseases, including obesity, diabetes, and cancer. Indeed, many research groups as well as pharmaceutical companies discovered food components and/or drugs that target the sirtuins and provide significant health benefits. This book focuses on various aspects of sirtuin biology, from basic biochemistry, via molecular function, to its role in (fighting) human disease.

Great ebook you want to read is Sirtuins Ebooks 2019. You can Free download it to your laptop through easy steps. VOICEOFMERCY.COM in easy step and you can Download Now it now.
