## THE UNEXPLAINED EBOOKS 2019

Author: W.G. Davis

Realese Date: Lanzamiento previsto: @@expectedReleaseDate@@

We all love spooky tales that defy explanation – which is clear from the popularity of our many unsolved mysteries books and television shows. Throughout the history of humanity, mankind has been witness to thousands of strange, unexplained ancient mysteries and events, as well as mysterious phenomena. Many of them can undoubtedly be explained as regular, everyday events that were simply misunderstood. However, there remain a large number that defy all logic, reason and scientific explanation. From Ghost, UFOs and Aliens to mysterious events, this book will seek to explore some of these phenomena, not only current events and reports, but also those unexplained mysteries of the world from our remote past that still remain unsolved today.
