## WHERE DID I COME FROM OMA EBOOKS 2019

Author: Ruth Dierolf

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

I finally found the time to finish the book I had years ago promised my grandson I would write, to tell him how he was born. Every time I started to write, I was confronted by another roadblock.

After my bouts with cancer, surgery, chemo, and then more surgery, I just could not get it finished. Now, I have been able to get the book in print to fulfill my promise to write my grandson an answer to his often-asked question, "Where did I come from, Oma?"

I hope you enjoy this book as much as I did writing it, and that you will pass it on to your children and grandchildren, so it can help answer questions they might have on how they were born. I want to thank Nicholas for never giving up on me and for asking the question, which gave me the idea that all children might enjoy the answer. I also need to thank my gynecologist, Dr. Jeffrey B. Frank, affiliated with the Reading Hospital and Medical Center (Reading, Pennsylvania), for proof-reading the accuracy of my details, and my friend Gloria Beidler, who continued to encourage me to get the book finished.

It is my love of children that kept me writing, to help parents who simply do not know what to say to their children on the subject.

Thank you for taking the time to read this book. Enjoy the story of "Where did I come from, Oma?"
